

2025 SUMMER PROGRAM GUIDE

Classic Learning Test

CLT

A Note From Classic Learning Test

At Classic Learning Test (CLT), our mission is not only to provide meaningful assessments but to foster connections among seekers of truth, goodness, and beauty.

In this vein, we strive to help students discover and engage with exceptional institutions of learning that will help them become better human beings.

CLT Partner Colleges offer a variety of summer programs through which high school students can experience life on campus, explore possible career interests, and delve into avenues of study. Some programs even offer college credit.

Our 2025 Summer Program Guide highlights the incredible opportunities available this summer at our Partner Colleges. We hope you find just the right program to grow and inspire you.

ANDERSON UNIVERSITY'S SUMMER INSTITUTE

Anderson University's Summer Institute offers rising 9-12 graders the opportunity to explore an area of interest at South Carolina's largest private university! With top-notch faculty leading the way, students will learn new skills while building community with like-minded Christians. Join us this summer and experience life as an AU student!

REPERTORY THEATRE

Anderson University's Rep Theatre gives actors the opportunity to learn skills in set building, costume design, and lighting design with the expert guidance of Anderson University faculty and students. Together, over the space of three weeks, actors will produce a play for the community.

AU SCHOLARS DAY

AU Scholars Day invites top-notch high school students for a one-of-a-kind opportunity to learn about Anderson University. With a selection of academic workshops, behind-the-scenes campus tours, and a panel discussion with institutional leaders, students will gain incredible insight into the culture and happenings at Anderson University. Selected students for the AU Scholars Program will be notified in the spring.

ENGINEERING

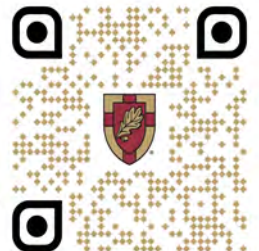

At Anderson University's Engineering Summer Institute, you will learn about STEM education with an emphasis on engineering. Through hands-on activities and industry tours, students will leave with a great introduction to the exciting field of engineering.

CHOIR AND VOCAL

Do you enjoy making music with others who love the art of singing? Anderson University voice and choral faculty will help you develop skills in singing, vocal technique, musicianship, vocal health, and auditioning.

CALLED HIGHER

SUMMER LEADERSHIP PROGRAM

*Experience AMU at our fourth
Annual Summer Leadership
Program June 22-27, 2025!*

We're looking for rising high school juniors and seniors who are academically driven and committed to growing in their faith to spend a week with us on campus, exploring what life is like at Our Lady's University.

During your time at Called Higher, you'll experience the life of an AMU student firsthand: a liberal arts education rooted in the Truth, enhanced by frequent access to the sacraments, and encouraged by an authentic Catholic community. Learn how Ave Maria is committed to the excellence of the mind, heart, and soul.

*"My favorite class was Theology with Dr. Dauphinais - he really showed us that you can **take leadership into anything that you do.**"*

— Student Participant, SLP 2024

THE UNIVERSITY OF TULSA

HONORS SUMMER ACADEMY

At the Honors Summer Academy, academically successful high school students will gain valuable pre-college experience and preparation as they study the classics with world-class Honors College faculty at The University of Tulsa. Participants spend their mornings with faculty in seminar addressing the big questions raised by classic texts and their afternoons/evenings with current Honors College

students, who lead recreational and cultural activities both on and off campus. Honors Summer Academy students have a unique immersion experience in which they ask each other the Big Questions, and also experience all that Eastern Oklahoma and Tulsa has to offer—from rodeos to native American history and culture, to world class art museums and outstanding parks.

June 15-25, 2025

Applications open Dec. 1 and are due Mar. 15.
