**Refund and Credit Policy:**

CLT's standard practice for unused tests is to apply a **credit** (minus shipping and processing costs for paper tests) to the school's account upon request. Credits from CLT can be applied to any future test order. If a **refund** is requested, please confirm through your designated CLT partnerships representative. Refunds are processed via a return check and issued twice per year, in December and June.

**Late Order Policy for Paper Assessments:**

CLT orders placed after the paper test order deadline are subject to additional charges:
Orders placed after the deadline, but more than two weeks before the official test date - $50 late processing fee.
Orders placed less than two weeks before the official test date - $100 expedited processing plus additional shipping charges.

**Outstanding Invoices and Future Orders:**

Schools with outstanding CLT invoices from a previous academic year will not be permitted to test until outstanding invoice is paid in full.
